

## Your Region – Your Feedback – Your Future

Pima Prospers is the vision and the name of Pima County's Comprehensive Plan update effort. The plan is being shaped – with your help – to guide the region's growth, conservation and community design for decades to come.

Based on what you told us at 14 community meetings, Tucson Meet Yourself and other events, and online at [www.PimaProspers.com](http://www.PimaProspers.com), we have compiled the first draft of Pima Prospers, the 10-year update of the County's Comprehensive Plan.

We invite you to review the draft and share your feedback at [www.PimaProspers.com](http://www.PimaProspers.com) or to attend any of the 10 open houses in May and June. No formal presentations are planned, but we look forward to discussing the draft with you and gathering your input. The draft is also available for review at any Pima County Public Library branch.
