Tucson, AZ 85756

Re: Approval of 30% Design Level Plans & Railroad Right-of-Way Grading Plans

Mr. Levin,

This letter is in response to your consultant's submittal of the following plans for the proposed Port of Tucson TIGER project near the railroad station of Wilmot, AZ:

- 30% Design Plans from Mountain States Contracting dated January 30, 2015
- Grading plans by PSOMAS titled "Grading Plans for Century Park AB Mainline Railroad" dated January 02, 2015

The Union Pacific Railroad (UP) has reviewed the submittals and finds them acceptable.

In the coming days you shall be receiving an Outreach Package from our Development Office in Omaha, NE. The package will include, among other documents, a Contractor's Right of Entry Agreement for your review, signature, and return to the UP.

The UP looks forward to receiving your Final Construction Plans and Exhibit A Drawings. Upon receipt and approval of these documents by UP, the UP will move quickly to provide you a formal Industrial Track Agreement for your review and signature.

Please feel free to contact me at the above number should there be any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul F. MacDonald".

Paul F. MacDonald  
Union Pacific Railroad Co.
