ADDENDUM NO. 02

SOLICITATION FOR QUALIFICATIONS NO. 199494

JOB ORDER CONTRACT: WASTEWATER RECLAMATION FACILITIES CONSTRUCTION SERVICES

TO ALL POTENTIAL CONTRACTORS:

Be advised of the additions, clarifications and/or changes to the above-referenced Solicitation For Qualifications as stated in the following Addendum.

- **Submittal Due Date: REMAINS** 4:00 P.M., December 30, 2015, as changed in Addendum No. 1.
- County is providing additional clarifications to assist you with preparation of your SOQs:
 - Regarding “Requirements For Statement Of Qualifications” on page 5: Covers, Table of Contents, Divider Sheets, Introductory Letter, Resumes of Key Staff and Subcontracting Plan (to be provided in a separate envelope) do not count toward the suggested 20 page limit.
 - Regarding the “Questionnaire” on pages 10 & 11: While the Questionnaire itself does count towards the suggested 20 page limit, additional documentation necessary to substantiate answers (such as documentation of a written substance abuse policy) does not. However, respondents are cautioned that additional materials provided should be relevant to documenting answers. Provision of excess materials not relevant to documenting answers could result in reductions of scores by the evaluation committee.

This addendum is a total of 1 page.
