August 10, 2016

**ADDENDUM NO. 06**

PROJECT: IFB 207424 – CONTINENTAL RANCH REGIONAL PUMP STATION  
REHABILITATION PROJECT No. 3CRS05

TO ALL CONTRACTORS:

Be advised of the additions, clarifications and/or changes to the above-referenced Invitation for Bid as stated in the following Addendum.

1. The *Bid Due Date and Time* **REMAINS** Wednesday, August 17, 2016 at 2:00 p.m., as amended in IFB Addendum 3.
2. Plan Sheet E36 contains the following statement as the second sentence under CONTROL SYSTEM PROGRAMMING NOTES: "Contractor shall provide the services of EMA Services, Inc, 4742 N. Oracle Road, Suite 310, Tucson, AZ 85705-1675, (520) 299-0992, or owner approved alternate, for required programming."

Addendum No 5 contained information and requirements in Item 3 regarding being considered an owner approved alternate. Due to inadequate responses that item is hereby **deleted** and **replaced** by the following:

**Replace** the following statement on Plan Sheet E36 - "Contractor shall provide the services of EMA Services, Inc, 4742 N. Oracle Road, Suite 310, Tucson, AZ 85705-1675, (520) 299-0992, or owner approved alternate, for required programming."

**With the following:**

For the required programming Contractor shall utilize a firm meeting the following requirements:

Firm must be a certified Invensys Wonderware Certified System Integrator (for System Platform). Firm must provide staff that is factory trained and possess the requisite certification(s). Documentation of certifications must be provided to County before work will be authorized. If intended firm and staff are not currently certified, Contractor will be responsible for providing a certified firm with trained and certified staff in a manner that does not delay the programming and the project. Certified firms may be identified at the following Wonderware website: <http://global.wonderware.com/custom/pages/si-directory.aspx>. Under "Choose Certification" select "Certified System Platform."

Firm must possess recognition by Rockwell Automation that the firm supports a control technology discipline and is a recognized Rockwell Automation Systems Integrator. Firm must provide staff that is trained and possesses certification in Rockwell Automation ControlLogix. Documentation of recognitions and certifications must be provided to County before work will be authorized. If intended firm and staff are not currently certified, Contractor will be responsible for providing a certified firm and staff in a manner that does not delay the programming and the project. Recognized Rockwell Systems Integrators may be identified at the following Rockwell website: <http://www.software.rockwell.com/corporate/sp/RASISearch.cfm?Programlevel=RSI>

Note: County has identified a minimum of two firms with Arizona operations that possess both Wonderware certification and Recognition by Rockwell Automation.

This addendum is a total of **2 pages**. There are no attachments to this addendum.

All other requirements and terms of the Solicitation remain unchanged. Respondents are required to certify receipt of this addendum in their Bid Proposal. Failure to do so may result in declaration of the bid as non-responsive.

Any questions regarding this addendum should be directed to [keith.rogers@pima.gov](mailto:keith.rogers@pima.gov) or by fax to 520-770-4012.
