### ADDENDUM NO. 1

**SOLICITATION NO.: 216634**

**PROJECT: S. Camino De La Tierra – Highway Drive – Curtis Road Paved Shoulders (4CHDCR)**

TO POTENTIAL RESPONDENTS:

Be advised of the additions, clarifications and/or changes to the above-referenced Solicitation for Qualifications as stated in the following Addendum.

### **QUESTIONS**

- Q.1. For Item 5 of the Scope of Services, will you please clarify what you expect the Landscape component to comprise of?
- A.1. The Landscape Component consists of concerns with the invasive species/removals and then re-establishment of roadside vegetation for erosion control (hydroseeding). There are no irrigation or other landscaping features.
- Q.2. Is the Cover Letter excluded from the page count referenced on Page 6 of the RFQ?
- A.2. The Cover Letter has been replaced with the "Respondents Statement of Interest and Availability to Undertake the Project". Should a Cover Letter be submitted, it would count toward the suggested page count.
- Q.3. What is the minimum acceptable font size for the SOQ and does this include resumes as well? (Note that subconsultant resume formatting can be difficult to control).
- A.3. The recommended font size is 10 point.

All other requirements and terms of the Solicitation remain unchanged. Failure to include acknowledgement of all addenda in the Respondent's Statement of Interest and Availability to Undertake the Project may be cause for rejection. All questions should be received by 5:00 p.m., May 27<sup>th</sup>, 2016 to ensure a response, and shall be addressed in writing to Matt Sage, Contracts Officer, via email ([Matthew.sage@pima.gov](mailto:Matthew.sage@pima.gov)) or fax (520-770-4013).
