

Evaluators Wanted – A Call to Contractors

Arizona Revised Statutes §34-603(C)(3) requires that the selection committee for projects to be delivered via an alternative project delivery method such as Construction-manager-at-risk, Design-build, and Job-order-contracting shall include at least one person who is a senior management employee of a licensed contractor.

To facilitate this process, the County maintains a list of available committee members. If you are interested in sitting on an evaluation committee and being added to the list, please contact Judy Cooper at 520-724-3727 or Judy.Cooper@pima.gov.

Contractors that have served in this capacity have reported it to be a valuable and insightful experience. Please let us know if you would like to be a part of the Procurement process!

Please note that outside contractors, architects and engineers serving on a selection committee shall not receive compensation from the agent for performing this service.
