AMENDMENT NO. THREE (3)

SOLICITATION NO:
IFB-PO-2200039, INA ROAD CONSTRUCTION DEBRIS LANDFILL PHASE 2 - CLOSURE (PH2INA)

Be advised of the following changes, clarifications and/or additions to the above-referenced Solicitation as stated in the following Amendment.

SOLICITATION DUE DATE:
Please note that the Solicitation due date has been changed to January 7, 2022 AT 2:00 P.M. local Tucson Time.

QUESTIONS/ANSWERS:
Q.1) According to the fence detail, item #4 calls to remove and dispose of existing fence section, posts, barb wire, razor wire, gates and hardware. Should razor wire be included to match the existing razor wire?
A.1) Yes, per detail, razor wire should be included to match the existing. The existing fence to be removed is temporary fencing.

Q.2) Per the Specifications document, Section A01010-a, Paragraph 1.01, Letter C- Line 5, states: “All hauling of excavated material shall be confined to a Contractor specified route, and shall not take place on public roads;” Can public roads like Silverbell be used as a route?
A.2) Yes, use of public roads such as Silverbell as a haul route may be used by Contractor and Contractor must comply with all traffic laws and ensure proper permitting is obtained. County is open to any haul route that is proposed to move the material from Cal Portland’s Sunset Pit to the Ina Road Construction Debris Landfill safely and on schedule.

All other requirements and terms of the Solicitation remain unchanged. Failure to include acknowledgment of all amendments may be cause for rejection.
