

# Family Preservation Legal Clinic

Please contact our **FREE** clinic to see if an attorney or social worker can assist you and help you keep your family together and out of the juvenile court system.

Call **520-724-2994** and ask for an intake with the Family Preservation Legal Clinic.

- Is your family part of a Department of Child Safety or Office of Child Welfare investigation?
- Are you concerned your children may be removed from your custody?
- Do you need assistance obtaining an order of protection after experiencing domestic violence?
- Is your home an unsafe place for you and your children?
