Art on The Loop

Stroll, ride or run along The Chuck Huckleberry Loop and you’re likely to spot more than desert vegetation, wildlife and fellow users. A whimsical steel sculpture of bats on bikes shares space with mosaic-tiled bridges, historical homages and sculptural arches. Users are able to enjoy these – and more than four dozen other pieces of art along The Loop – thanks to the Pima County Board of Supervisors’ longtime support of a Pima County Public Art Program.

This guide will help you enjoy all of the sculptures, tilework and more that you’ll find along The Loop.
