

Customer Advisory

At this time, DOT is maintaining normal operations and services and discourages in-person visits to our offices as most services can be conducted on line or by telephone at 520-724-6410.

It is our priority to protect the health of our community and that of our staff's while continuing to serve our customers, therefore PCDOT is implementing protocols that follow the recommendations of the [Pima County Health Department](#) and the [CDC](#) (Centers for Disease Control and Prevention), including social distancing strategies. Per the direction of the Chairman of the Board of Supervisors and the County Administrator and until further notice, Department-organized meetings and events will be canceled or postponed. Staff encourages everyone to practice social distancing and avoid assembling in groups larger than 10 people to the extent possible.

These guidelines will continue until further notice. To stay informed about COVID-19 visit www.pima.gov/COVID19 or for general information, call 520-626-6016 to speak with a health professional.

For more information on County service closures and cancellations visit [Pima County](#).
