

CONSTRUCTION NOTICE

Camino de Oeste: Los Reales Road to Valencia Road Improvement Project

Pima County Department of Transportation (P.C.D.O.T.) and the Pascua Yaqui Tribe would like to inform you of the construction of the improvement project on Camino de Oeste: Los Reales Road to Valencia Road.

Southern Arizona Paving, the contractor for this project, is expected to begin construction during the week of May 29, 2012, and complete by mid-October 2012. During construction, flag personnel will be on site directing traffic as needed. Motorists are asked to plan travel times accordingly and obey all traffic control devices.

Camino de Oeste will be widened from a two-lane roadway to a three-lane roadway. It will include a center left-turn lane. Other features include a 6 foot-wide paved shoulder, curb along the west edge of roadway from Camino Elario to Valencia Road, sidewalk, minor drainage improvements, street lighting and landscaping.

For more information, contact Louie Gonzales or Isabel Guevara, Department of Transportation Community Relations, at (520) 740-6410 or visit the project website at <http://roadprojects.pima.gov>.
