SUBJECT: COMMUNITY ADVISORY COMMITTEE MEMBERSHIP APPLICATION

Dear Neighbor:

The Pima County Department of Transportation (PCDOT) is beginning the design stages of the Kolb Road: Sabino Canyon Road to Sunrise Drive improvement project. This project is part of the 1997 Transportation Bond Program.

The proposed improvements consist of widening the existing roadway in order to improve safety, reduce congestion, improve operations and increase mobility. Some of the potential improvements that will be considered and evaluated include additional travel lanes and landscaping, bike lanes in each direction and a multi-use pathway for pedestrians.

One of the early steps in the planning process will be to select a Community Advisory Committee (CAC) as specified in the PCDOT's Community Participation and Mitigation Ordinance 2006-31. The CAC will consist of up to 15 members who have an interest in the project. The CAC's responsibilities will include reviewing various planning documents and providing feedback on alternative roadway designs.

The CAC will include members who represent the surrounding residential community and business interests. If you are interested in serving as a member of the CAC, please take the time to complete the enclosed application and return it to the following address no later than **November 21, 2016**.
