PAVING ACTIVITIES AT LA CAÑADA DRIVE AND RIVER ROAD

LA CAÑADA DRIVE: RIVER ROAD TO INA ROAD IMPROVEMENT PROJECT

Pima County, Ariz. (March 7) – On Monday, March 10, 2014, through March 24, 2014, the Pima County Department of Transportation, Regional Transportation Authority and their contractor, Select Development & Construction, Inc., will be paving on La Cañada Drive between River Road and Roller Coaster Road.

Phase I of the paving:

Traffic for north- and southbound lanes will be split and the contractor will begin work on the middle section of the roadway on La Cañada Drive from River Road to Roller Coaster Drive. Work will consist of milling, reconstructing and paving.

Phase II of the paving:

Traffic will be shifted to the east side of La Cañada Drive (northbound lanes) once phase 1 is done and will remain in this configuration while crews work on the west half of La Cañada Drive (southbound lanes).

All businesses will remain accessible and all emergency vehicles will have access during weekend closures.

Please approach the area with caution and obey all traffic control devices.

In the event of mechanical failure or inclement weather, the construction schedule will be subject to change.

The Regional Transportation Authority (RTA) is the fiscal manager of the \$2.1 billion plan approved by Pima County voters on May 16, 2006. The RTA Board is comprised of representatives from local jurisdictions in Pima County, including the cities of Tucson and South Tucson, Pima County, the towns of Marana, Oro Valley, and Sahuarita, the Pascua Yaqui Tribe and the Tohono O'odham Nation. A representative of the Arizona State Transportation Board also serves on the board. For more information about the RTA plan, visit www.RTAmobility.com or call (520) 770-0410.
