A solid teal horizontal bar at the bottom of the page.

Phase 1: Education, information and listening

- A. Materials provided by Pima County (very informative)
- B. Public input on the 3 tasks assigned to the Committee:
 - Should the Board of Supervisors adopt a half-cent sales tax for road repair throughout the County and within cities and towns?
 - Should any portion of the sales tax revenues be used to reduce the County's property tax, and if so, what percentage?
 - Should the sales tax be permanent or temporary?

Phase 1 meetings:

1. Committee to hold listening sessions (public meetings) in November, December & January at dates/locations TBD
2. Agenda for listening sessions:
 - Public comment
 - Perspectives from interested organizations (Medler)
 - Which organizations should we specifically request in addition to those already represented on this Committee?
 - Time limit for speakers?

Phase 2: Committee Deliberation

- February and March public meetings
- Make final recommendations to the Board in March
- Meetings to include continued public input via Call to the Audience

Other Issues
