

Pima County Department of Transportation

Colossal Cave Road Closure at the Railroad

The Pima County Department of Transportation and the Regional Transportation Authority along with their contractor, Southern Arizona Paving, will close **Colossal Cave Road** at the southern railroad crossing on Saturday, Sept. 24 through Sunday, Oct. 2, 2016. This work is part of the Colossal Cave Road: Acacia Elementary School to Old Vail Middle School improvement project.

This closure will allow the contractor to perform critical roadway work, including the adjustment of roadway grade to improve sight visibility at Success Drive and across the railroad tracks. Business access will remain open, but the southern railroad crossing will stay closed to all traffic during these dates.

This is the first of three anticipated road closures needed at the railroad crossing along Colossal Cave Road. We will keep the Vail community informed as we schedule the dates of future closures. Please allow additional time for your travels and plan alternative routes, if necessary.

If you have any questions regarding the project, please contact Carol Brichta, Community Relations Office at **(520) 724-6410** or **Carol.Brichta@pima.gov**. Thank you in advance for your cooperation.
