Have a Blue Christmas

During the holiday season, people generate 25% more waste. Fortunately, much of this holiday waste can be recycled in your blue barrel! Recycle:

- ⊕ Wrapping paper, cardboard boxes, paper bags, and greeting cards. Make sure the wrapping paper and cards do not have glitter or a metallic finish.
- ⊕ Hard plastic including toys, food containers, food packaging, and beverage bottles, etc. Please no plastic bags or film plastic.
- ⊕ Glass bottles, jars, and jugs. No light bulbs please.

- ⊕ Aluminum and steel cans. Give aluminum or steel food cans a quick rinse and put them in your blue barrel.

You can return Styrofoam™ peanuts back to a local UPS store, and all film plastic can go back to many local retailers or grocery stores.

PIMA COUNTY WASTEWATER RECLAMATION

Conserve Water Year-Round!

Although the temperatures are cooler, we still need to remember that conservation should be a year-round practice. This winter don't forget to:

Take short showers

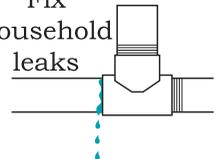

Turn off the water when you brush your teeth

Sweep your sidewalk, don't clean it with a hose

Fix household leaks

Get creative!

Think of ways you and your family can conserve water all year long!

PIMA COUNTY

WASTEWATER RECLAMATION

Your utilities services statement includes fees for your water, environmental services, and wastewater.
