PIMA COUNTY WASTEWATER RECLAMATION

The Regional Wastewater Reclamation Department has upgraded its two largest water reclamation facilities. These facilities now produce **A+** quality reclaimed water.

The State of Arizona allows this water to be used for a number of purposes; to include:

- Filling of manmade lakes or ponds where fishing and boating are allowed

- Irrigation of food crops and residential and public landscaping (including school grounds)

- Toilet and urinal flushing

PIMA COUNTY
