Tips to Make Your Holiday **GREENER**

Between Thanksgiving and New Year's Day, Americans generate more than 1 million additional tons of garbage. Here are tips to help you keep unnecessary items out of our landfills and our environment this holiday:

- 1. Give the gift of an experience or memory – no wrapping required.
- 2. Use and reuse gift bags and cardboard boxes.
- 3. Use wrapping paper without a metallic finish or glitter so it can be recycled.
- 4. Recycle cardboard, plastic bottles and tin cans in your Blue Barrel.
- 5. Recycle your Christmas tree for **free** at eight TreeCycle sites in Tucson and Oro Valley, starting December 26, 2019. Go to tucsonaz.gov/TreeCycle for sites, guidelines and hours.
