Tips for Easy Every Other Week Recycling

On September 30, 2019, Environmental Services will collect recycling every other week. Here are some tips to make recycling easy, safe and efficient:

Don't contaminate what's in your Blue Barrel! Please don't recycle plastic bags or any flexible plastic, Styrofoam, green waste and food waste.

- Break down cardboard so it is flat
- Always recycle: Paper & Cardboard, Aluminum & Tin Cans, Plastic Bottles & Jugs, Glass Bottles & Jars
- Don't bag recyclables
- Don't recycle materials that are smaller than a tennis ball
- If your recyclables don't fit in a Blue Barrel, use a Neighborhood Recycling Center
