

YOUR UTILITIES

CITY OF TUCSON ENVIRONMENTAL SERVICES

Brush & Bulky (B&B) Collection comes around twice a year, offering residents an opportunity to get rid of debris – without the visit to a landfill. Keep these B & B tips in mind for the health and safety of all:

- Give your B&B pile space! Place at least 5 feet away from any gas meters, water meters, fences, walls, mailbox, electric poles or other fixed objects.
- Materials can be set out two weeks ahead of your collection date. (Set out materials earlier and you may receive a code violation.)
- Always put cactus in a box.
- Break down tree branches so they are five feet long or less.
- Separate tires because they are collected by a different crew.

Go to tucsonaz.gov/es/brush-and-bulky for schedules, collection tips, and videos.

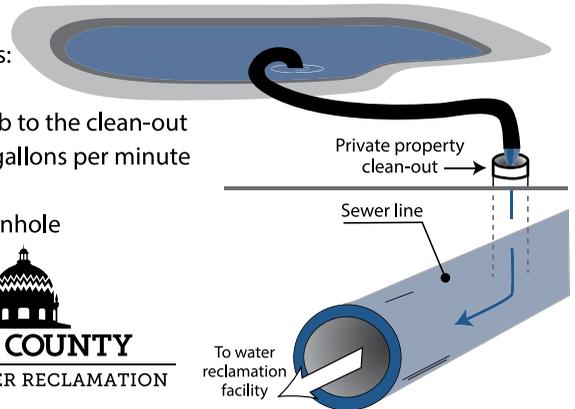

PIMA COUNTY WASTEWATER RECLAMATION

Need to Empty Your Pool or Hot Tub?

Pool or hot tub water can be discharged into the sanitary sewer system by following these instructions:

- **Locate** the property's clean-out pipe
- **Connect** a siphon or pump from the pool/hot tub to the clean-out
- **Avoid** a sewer back-up, discharge at a rate of 15 gallons per minute
- **Discharge** in the afternoon or late night hours
- Do **NOT** discharge directly into a public sewer manhole

For more information, call (520) 724-6500 and ask about discharge procedures*.
