WASTEWATER

CITY OF TUCSON ENVIRONMENTAL SERVICES

Start the NEW YEAR Right Recycling is important, but the City's Environmental & General Services Department (EGSD) team wants to remind you to also focus on reducing and reusing in 2020:

- **REDUCE:** First, consider renting or borrowing an item rather than purchasing it. Choose products with minimal packaging or packaging that is 100 percent recyclable.
- **REUSE:** Reuse and re-purpose items. If an item is in good condition, donate it to a local thrift shop or charity. Avoid buying single-use products.
- **RECYCLE:** Recycling is the last option before throwing something in the trash. Recycle cardboard, paper, metal cans, and plastic bottles and jugs in your blue bin.

Visit Facebook at Tucson Environmental Services or tucsonaz.gov/es to learn how to reduce, reuse, and recycle in 2020 and beyond.

PIMA COUNTY WASTEWATER RECLAMATION
