### Dispose of PPE Properly

Tucsonans are doing a great job of using personal protective equipment (PPE) to slow the spread of COVID and protect public health. Here's how to dispose of used PPE to reduce exposing others and to minimize litter:

- Throw used disposable gloves and masks in the trash and bag. Gloves and masks are not recyclable!
- Clip off the strings of disposable masks to prevent harm to wildlife.
- Disposable wipes go in the trash – never flush or recycle.
- Recycle plastic hand sanitizer bottles that are empty, clean and dry.

Remember: When in doubt, throw it out!

## PIMA COUNTY WASTEWATER RECLAMATION

### The **Santa Cruz River** is getting an upgrade!

Your input is needed to help develop a **Santa Cruz River Management Plan** that reflects the community's values and desires.
