TRAFFIC SKILLS 101 (BIKE SAFETY SKILLS)

This course is a primer for those cyclists who wish to gain a full understanding of how to safely operate a bicycle in a variety of situations. The class includes learning how to perform a quick safety check and how to fix a flat. We will discuss state and local laws and riding gear. Participants will go for a ride and practice bike safety skills in a parking lot. Recommended for adults and youth ages 16 and up. Youth, ages 16 or 17, may participate in class alone with parent/guardian consent. Youth, ages 13-15, may also participate in class with parent/guardian consent but parent/guardian must remain on-site. **Participants will receive a choice of one free item from the list of safety items and receive front/rear reflective bike tape and a free patch kit.**
