

# When to Wash Your Hands

**You are required to wash your hands before beginning work, before working with foods, and after any activity that could contaminate the food and equipment you are working with.**

**After handling a tissue or handkerchief.**

**After touching your face, hair, or any part of your body.**

**Before serving food or beverages, or setting or waiting tables.**

**After cleaning, washing dishes or bussing tables.**

**Before and after handling raw meats, raw poultry, or other raw foods.**

**Before and after handling or preparing any food item.**

**After using the toilet, urinal, or anytime you visit the restroom for any reason.**

**After sneezing, coughing, or scratching any part of your body.**

**After eating or drinking or after breaks.**

**After smoking, chewing gum or vaping.**

**Before putting on gloves or after taking gloves off.**
