

Calling all nonprofits

Put your organization on the list to receive surplus property from Pima County

Pima County Surplus Property, under the direction of the Pima County Procurement Department, is seeking 501(c)(3) nonprofit organizations interested in receiving Pima County surplus property.

The Procurement Department maintains a list of nonprofits that have registered to receive notifications of available surplus property. When surplus property becomes available, a notice is sent to all registered nonprofits at the same time.

The surplus items can be an array of items such as computer equipment, desks, office equipment, library furniture, etc. To be included on the surplus property nonprofit organization list, please email the following information to Surplus@pima.gov:

1. Full name of the organization.
2. Physical address of the organization (not a P.O. Box).
3. Contact person's name, phone number and email address.
4. Any publication of information stating the services provided to the residents of Pima County.
5. Copy of the organization's 501(c)(3) to show the status of the organization as a nonprofit with the state of Arizona.

Once your information is received, your organization will be added to the distribution list. You will begin to receive periodic email notifications when surplus property becomes available. The frequency of these notifications vary greatly. The email notifications will have attachments with item descriptions and the name of the Pima County employee to contact if you are interested.

ALL surplus items are distributed on a first-come basis.

If you have any questions, please email Surplus@pima.gov
