

Utility Repair, Replacement, Deposit Program (URRD)

The program helps low income individuals who are in a crisis situation with deposits for utility services and to make needed repairs and replacements to utility related appliances or systems. The client must be the owner of the appliance or system to be repaired and/or replaced. Proof of citizenship required.

Community Services Block Grant (CSBG)

The Pima County Community Action Agency is also responsible for the administration of CSBG funds. This grant is intended to provide a range of services and activities that have a major impact on areas of the community where poverty is a concern.

Through local non-profit agencies, services or help provided with this grant include: **food boxes, medical prescriptions and/or supplies, eye-glasses, rental assistance, and some transportation assistance.**

Eligibility

All assistance is based on income eligibility criteria. Certain documents and verification are required in order to qualify for assistance through these programs.

Programs funded by:

Pima County Board of Supervisors:

- District 1 - Ann Day
- District 2 - Ramon Valadez
- District 3 - Sharon Bronson

Pima County Community Action Agency

Helping People Help Themselves

Mission Statement:

The mission of the Pima County Community Action Agency is to: assist low-income individuals and families in reaching higher levels of economic and social self-sufficiency through the delivery of basic needs services and to advocate for the poor. Our agency will endeavor to deliver services in a respectful, timely and compassionate manner.

OUR GOALS. . . .

- * To improve the standard of living and enable the people and communities of Pima County, especially those with lower incomes, to be economically self-sufficient.
- * Assist local Pima County residents in identifying and resolving problems that have led to a crisis situation.
- * Provide information and referrals to other social service agencies in the community.

The Emergency Services Network:

Many services are available through the Emergency Services Network which provides a safety net of services that encourage and promote self-sufficiency to residents of Pima County. The network is made up of the following nine agencies:

Types of Assistance:

Utility Assistance

Assists those in need of temporary assistance with their utility bills.

The purpose of L.I.H.E.A.P. (Low-Income Home Energy Assistance Program) is to assist low-income households that pay a high proportion of household income for home energy. The program can provide assistance with pay-

ments, disconnects, and deposits. Water is paid May - October only.

In addition, for Tucson Water customers only, the City of Tucson Low-Income Utility Services Program is available twice a year.

Discount program applications are available for Tucson Electric Power, Southwest Gas, and Tucson Water.

Rental Assistance

Assists those who are in need of temporary assistance with rent, and/or mortgage.

Homeless Assistance

Assists those who are in need of temporary assistance with their first month's rent.
