Dear Chuck,

We wish to express our sincere gratitude to you for taking time from your busy schedule to attend and present at our Days of Caring Breakfast.

Allowing community members to hear directly from you the plans and directions of Pima County is paramount in our understanding of the reasoning behind some decisions.

Your presentation brought it home on a personal note with FM 108. You may be assured that we will be working in support of the county bond election whenever the commission decides the best time is to place the issue on the ballot. We now have 26,500 registered voters in the Vail area and will work with you and your staff to secure their support.

Again, we appreciate your commitment not just to Vail, but also to the entire county as we work together to serve all the people

Sincerely,

Rebecca Schulte
