SECTION 4. That Ordinance Number 1997-35 "Question No. 5 - Public Health, Safety, Recreational, and Cultural Facilities" is amended to read:

L-1 -- Northwest (Amphitheater) (Oro Valley)

Location: ~~Amphitheater School District/Tucson-Pima Library~~ **Town of Oro Valley**
New high school in the vicinity of Naranja and Shannon **Site Adjacent to Oro Valley Town Hall**

Bond Funding: \$2,000,000

Scope: Construction, furnishings and opening collections for a library ~~at the new Amphitheater High School under construction at Naranja and Shannon for joint use by the public and school~~ **to be located on a site adjacent to the Oro Valley Town Hall. A 10,000 square foot school library will be designed for expansion to a 20,000 square foot facility. The school is scheduled for opening in fall 1999. A separate intergovernmental agreement governing the conditions of joint use, collections, access, employment status of employees, funding of operation and maintenance costs design and construction of the facility will be executed between the school district and the Tucson/Pima Library District Pima County and the Town of Oro Valley..**

Benefit: ~~Cost savings by avoiding duplication of facilities and reduced operation and maintenance costs. Joint use also allows for expanded hours of operation providing improved service to the community. This project will provide library services for a rapidly growing area in metropolitan Pima County.~~

Other Funding: ~~Certain funding will be provided by the Amphitheater School District for common service facilities such as parking and utilities To be determined.~~

Implementation Period: 2, 3

Future Operating &

Maintenance Costs: ~~Costs to be shared with Amphitheater School District, therefore costs should be lower than would be expected for a stand-alone library facility~~ **between the Town of Oro Valley and the Tucson/Pima Library District..**

SECTION 6: That Ordinance Number 1997-35 "Question No. 8 - Sewer System Revenue Bonds" is amended to read:

SS-5 -- Tanque Verde Interceptor, Craycroft to Tucson Country Club
Implementation Period: 1,2

SS-10 -- ~~Miscellaneous Sewer Relocations and Rehabilitations, and Odor Mitigation at Roger Road Plant~~ Control Area Odor Control and Miscellaneous Facilities

Location: Throughout Pima County wherever the public sewer exists. Roger Road area at/near the headworks and within strategic portions of the sanitary interceptor sewer tributary to the Roger Road WWTF.

Scope: ~~Repair and rehabilitation of old sewers throughout the county and~~ The mitigation of odors where they are a problem. Work includes the construction of new sewer lines to replace or rehabilitate old, deteriorating sewers before they collapse, and improvements to sewer lines, pumping stations and treatment those actions to construct conveyance system facilities or to install permanent dosing facilities at strategic locations to minimize the off-gassing of offensive odors.

Benefit: These projects will prevent old sewers from collapsing under streets and releasing untreated sewage and This project will reduce odor complaints from the public. Annual maintenance costs will also be reduced are not expected to change significantly.

Future Operating & Maintenance Costs: Current Certain operating and maintenance costs will be reduced overall because ~~the need for frequent cleaning and clearing of blockages will be eliminated, as will crisis maintenance. Operating and maintenance costs in the first several years will be only for spraying for roach control. After five years, maintenance will consist of televising the sewer to assess the need for cleaning and potential for blockages~~ while the costs of odor-control chemicals will remain essentially the same. These annual operating and maintenance costs, principally for chemicals purchases, will probably not exceed \$10,000 \$500,000.
